

Earnings deduction chart

If you have earnings during a week, we deduct part of them from your weekly benefit amount. In the chart below, first find the amount you earned in the “gross earnings” column. Then see the “earnings deduction” column for the amount we subtract from your weekly benefit amount that week. There is a different earnings deduction chart for Training Benefits.

Gross Earnings = Your earnings before deductions. Earnings Deductions = Amount deducted from your weekly Benefit Amount (WBA).

Computation: Gross Earnings minus \$5.00 times 75% equals the Earnings Deduction. All deductions are rounded up to the next higher dollar.

When your Earnings Deduction is equal to or more than your Weekly Benefit Amount, you are not eligible for benefit payments.
