SharedWork - A proven business solution!

SharedWorkWA.com

What is SharedWork?

SharedWork is a voluntary assistance program that has stabilized Washington businesses and employees during temporary economic setbacks.

- Employers reduce worker hours to save payroll costs, instead of cutting jobs.
- SharedWork pays employees a prorated percentage of unemployment insurance benefits.

“During slowdowns in supplier production, the SharedWork program provides critical support to our entire ecosystem, by enabling workers to receive partial unemployment benefits when hours are reduced.”

Robin Toth

Director of Aerospace for the Washington State Department of Commerce
and the Office of Economic Development & Competitiveness (OEDC)

The SharedWork Program

A 40 year proven program that helps employers:

- Stabilize their business
- Retain their skilled workforce
- Continue serving customers
- Avoid layoffs and attract talent

SharedWork in Washington state

[Watch the SharedWork industry panel "fast play".](#)

Top 5 reasons employers sign up for the SharedWork program:

1. Loss of contracts or reduction in work
2. Maintain employee morale
3. In response to an economic downturn
4. Reduce payroll costs
5. Reduce cost of hiring and training new employees

Sources: [IMPAQ International](#), [U.S. Department of Labor Employment and Training Administration](#)

"It has allowed us to maintain our staff count and service levels, while lowering our overhead during the temporary housing shift. Staff is appreciative of the plan option and receiving partial payment with a day out of the office."

~ Erin Crain, AVP/office administrator, [Chicago Title of Washington](#), Everett

"SharedWork has given us a great amount of balance and flexibility to pivot and budget our expenses wisely. It's given the employees a sense of security. They know that we're doing this so that we don't have to take more dramatic measures, so there's massive relief of anxiety in that sense as well."

~ Jen Post, owner, [Prestige Escrow](#), Woodinville

"It's really a good thing we have SharedWork or I could be at risk of losing the employees with whom I've invested thousands of dollars in training. My valued employees are part of our business family, and I don't want to lose them. During these ups and downs of the economy, it has been a lifesaver."

~ Suzette Jackson, VP/owner, [NorthWest Granite & Flooring LLC](#), Whidbey Island

SharedWork in Washington

In a survey of past employers who enrolled in Washington's **SharedWork** program:

SharedWork improved employee morale.

The program helped retain skilled workers.

Would recommend SharedWork to another employer.

Employer Requirements for SharedWork:

1. Must be a legally registered business in Washington state.
2. Must have an Employment Security Department (ESD) number.
3. Must have at least two permanent employees, who are not corporate officers, affected by a reduction in hours and wages.
4. Continue to provide same benefits to employees.

Employee Requirements for SharedWork:

1. All permanent (part-time and full-time) employees may participate in SharedWork.
2. Employee must have a valid UI claim - worked at least 680 hours during their base year (includes all employment)
3. Must be able and available for all scheduled hours by SharedWork employer.

A temporary workforce reduction example

Ryna's remodeling company is experiencing supply delays, and it's impacting a few jobsites. She employs 40 individuals.

In lieu of layoffs. Ryna has enough work for 32 full-time employees. The employer can avert the continued layoff of 8 full-time employees by keeping all 40 employees and reducing the workweek.

Reduced workweek. The employer reduced the workweek from 40 hours to 32 hours, which is a reduction of 20 percent and permissible under state law, anywhere from 10-50% is an acceptable reduction each week with SharedWork.

Summary. The 40 returning employees would each receive 80 percent of their wages from their employer, while also remaining eligible for 20 percent of their respective weekly benefit amount under SharedWork.

How It Works

The employer calls SharedWork at **800-752-2500** option 3 to check business eligibility.

The employer assigns a **SharedWork representative** (or two) and submits an **Employer Plan Application** and a **Participant List**.

Once the employer plan is approved, each participant submits an **Employee Application** and can [file weekly claims](#).

The employee receives **earned wages** and a share of **unemployment insurance benefits** when hours are reduced.

The employer representative checks the weekly **SharedWork Payments Report** for accuracy.

Two EASY ways to apply

Tax & Wage

Tax & Wage

KEY COMPONENTS OF TAX & WAGE

- Report filing and payments
- Tax rate calculations
- Relief of benefit charges
- Wage and hour adjustments (amendments)
- Waivers of penalties & interest
- Audits and investigations
- Tax Refunds

Overview of UI Tax

- Reports & payments are due quarterly. Late payments & reports are assessed penalties & interest and could affect your annual tax rates.
- To report & pay go to www.esd.wa.gov.
- The tax due is calculated by multiplying the taxable wages by the tax rate.
- Amendments are corrections to reports. Employers have three years to amend reports. Amendments may impact your tax rate.
- Tax Rates: Delinquent rates will be assessed for late penalties & interest.

Quarterly Reports are due at the end of the month following the quarter.

Q1: April 30th

Q2: July 31st

Q3: October 31st

Q4: January 31st

Example of 2022

The tax due is calculated by multiplying the taxable wages by the tax rate.
Wage base 2023 = \$67,600

- If the employee's salary = \$55,000, pay taxes on \$55,000.
- If the employee's salary = \$68,000, pay taxes on \$67,600 of their wages.

The amount over the taxable wage base of \$67,600 (\$400 in the example) is considered excess wages. Excess wages are reported (for unemployment-insurance benefits purposes), but are subtracted from the employee's total wages, so they do not pay taxes on the amount above the taxable wage base.

SOC Code timeline

Starting in Nov. 2021 through third quarter 2022:

- All Upgraded EAMS users can look up and provide SOC codes.
- Use the new SOC lookup tool to find the most accurate codes for each of your employees (onetonline.org). A link to this page is available on our website.
