SharedWork - ¡Una solución comercial comprobada!

SharedWorkWA.com

¿Qué es SharedWork?

SharedWork es un programa de asistencia voluntaria que ha estabilizado a empresas y empleados de Washington durante reveses económicos temporales.

- Los empleadores reducen las horas de los trabajadores para ahorrar costos de nómina, en lugar de eliminar puestos de trabajo.
- SharedWork le paga a los empleados un porcentaje reducido de los beneficios del seguro de desempleo.

El Programa de SharedWork

Un programa probado de 40 años que ayuda a los empleadores a:

- Estabilizar su negocio
- Retener su mano de obra calificada
- Continuar sirviendo a los clientes
- Evita despidos y atrae talento

SharedWork en Washington

En una encuesta de empleadores anteriores que se inscribieron en el programa SharedWork de Washington:

97% SharedWork mejoró la moral de los empleados.

98% El programa ayudó a retener a los trabajadores calificados.

99% Recomendaría SharedWork a otro empleador.

Requisitos del empleador para SharedWork:

1. Debe ser un negocio registrado legalmente en el estado de Washington.
2. Debe tener un número del Departamento para la Seguridad del Empleo (ESD).
3. Debe tener al menos dos empleados permanentes, que no sean funcionarios corporativos, afectados por una reducción de horas y salarios.
4. Continuar brindando los mismos beneficios a los empleados.

Requisitos del empleado para SharedWork:

1. Todos los empleados permanentes (tiempo parcial y tiempo completo) pueden participar en SharedWork.
2. El empleado debe tener un reclamo de UI válido: trabajó al menos 680 horas durante su año base (incluye todo el empleo).
3. Debe poder y estar disponible para todas las horas programadas por el empleador de SharedWork.

Un ejemplo de reducción de mano de obra temporal

La empresa de remodelación de Ryna está experimentando retrasos con materiales para hacer el trabajo y está afectando algunos lugares. Ella emplea a 40 personas.

En lugar de despidos. Ryna tiene suficiente trabajo para 32 empleados de tiempo completo. El empleador puede evitar el despido de 8 empleados de tiempo completo manteniendo a los 40 empleados y reduciendo la semana laboral.

Semana laboral reducida. El empleador redujo la semana laboral de 40 horas a 32 horas, lo que representa una reducción del 20 por ciento y está permitida por la ley estatal; entre un 10% y un 50% es una reducción aceptable cada semana con *SharedWork*.

Resumen. Cada uno de los 40 empleados que regresan recibiría el 80 por ciento de sus salarios de su empleador, mientras que también seguirían siendo elegibles para el 20 por ciento de su beneficio semanal bajo *SharedWork*.

Federal bonding

The fidelity bonds issued by the Federal Bonding Program (FBP) protect employers against employee fraud and dishonesty. Employers receive the bonds free-of-charge as an incentive to hire these applicants. The FBP was designed to reimburse the employer for any loss due to employee theft of money or property up to \$25,000 during the first six months of a selected individual's term of employment.

The mission of the FBP is to give employers the peace of mind that you can safely provide all individuals job opportunities with limited risk.

The FBP helps reduce barriers for justice-involved individuals, as well as others who have difficulty securing employment and getting their lives back on track, building stronger, healthier communities.
