## I. Introduction

Bulk filing (formerly referred to as ICESA Washington Reporting) is for employers on their agents who prepare quarterly reports for a large number of clients and submit them in a single file.

Benefits of bulk-filing with EAMS (Employer Account Management Services)

- Bulk file upload (ICESA) – You can upload a test or production file and receive instant validation results and confirmation.
- Amend quarterly reports – You can amend a previously filed quarterly report online.
- Pay taxes – Pay taxes online, either for a single account or a combined payment for multiple accounts.
- Check tax rates – Check the tax rate for a single account or for all the accounts you manage if you file for multiple accounts.

For more information about bulk filing in EAMS, go to [esd.wa.gov/employer-taxes/EAMS-bulk-filing](https://esd.wa.gov/employer-taxes/EAMS-bulk-filing).

## II. What's new (September 2022)

  - Added ESD Number to indicate ESD Numbers are now 12 digits long.
- In the employee record (June 2022):
  - Columns 46-63 are now blank.
  - Columns 106-107 are for indicating the reason for an employee having wages but zero hours.
  - Columns 108-113 are for providing the six-digit SOC code corresponding to the employee's occupation.
  - Columns 171-209 are for reporting out of state wages.
