We’ve recalculated tax rates for some employers.

Here is your corrected annual tax rate notice.

Earlier this year, we implemented Senate Bill 5873, which reduced the unemployment social tax rate for most employers in 2022 and 2023.

We’ve made more adjustments to the tax rates for some employers whose industry-weighted average tax rate was above 0.6. This could have lowered your tax rate. Find out by checking your corrected annual tax rate notice, enclosed in this mailing.
