- After the interview, Subcommittee members will contact your references and will meet to discuss findings. Subcommittee members will recommend to the Governor’s Boards and Commissions Office a list of applicants to be appointed to the GCDE.

- The Governor makes all appointments to the GCDE. Our recommendation to the Boards & Commissions Office does constitute a guarantee that you would be appointed by the Governor.
- The goal of the GCDE is to have new members appointed by the Governor by January 1, 2022.
About serving on the committee

GCDE members are asked to participate in:

- Three in-person meetings of the full GCDE per year, usually held in the Olympia-Lacey area. (We are currently meeting online due to Covid-19 and social distancing guidelines.)
- Regular phone/videoconference meetings, and occasional in-person meetings, of the GCDE subcommittees that manage and implement GCDE programs.
- Ad hoc workgroups created to address specific tasks or issues for the benefit of the disability community.

The GCDE has five standing subcommittees that manage GCDE programs. New members are asked to volunteer to serve on the 1-2 subcommittees that most interest them. The GCDE chairperson makes final decisions about subcommittee appointments based on the needs of the subcommittees.
