Advice of Rights

You must respond by Oct 4 2017.

We need you to answer the questions on the following pages. Then we will decide whether we can pay or continue to pay you unemployment benefits. If you don't respond by the deadline, we'll use the information we have to make our decision. This means we might not pay you unemployment benefits, and you might have to pay back benefits you already received.

Your rights

You may request an interview before we make a decision about whether you are eligible for unemployment benefits. We conduct interviews by phone unless you request an in-person interview. You may:

- Have anyone help, including an attorney.
- Present evidence, documents, or witnesses.
- Cross-examine witnesses or parties at the interview.
- Ask for copies of all records or documents related to the issue.

Tell the Truth

If you make a false statement or withhold information about your claim, we consider that fraud. If you commit fraud, you may be denied benefits for future weeks, have to pay back benefits you already received, and pay a penalty.

I have read and understand the above statements. **Required**
